

INDUSTRIAL TECHNOLOGY

(Report on Research Institute of Industrial Technology in Toyo University)

CONTENTS

●Foreword

Contribution of RIIT to SDGs after Olympic Games ·····KITAWAKI Hidetoshi ····· 1

●Congratulation

Receiving the title of fellow from the Robotics Society of Japan ·····MATSUMOTO Akihiro ····· 2

Best Paper award from 11th international conf. on Human System Interaction (HSI 2018)
······YOKOTA Sho ····· 3

Celebrating for Prof. Fujino, "Educational Service Award" ·····SAKAI Kazuto ····· 4

●From the Lecture Meeting

Recent Development and Application of Autonomous Haulage System and i-Construction
······YASUDA Tomohiko ····· 5

A hot climate and the human health in residential buildings ·····MATSUBARA Naoki ····· 11

Toyo University Research Branding Project ·····KATO Kazunori ····· 15

Olympic/Paralympic Games Project, Toyo University ·····KAWAGUCHI Hideo ····· 19

Construction of an Information Communication Network Using a Drone in a Large-Scale Disaster
······HARA Shinsuke ····· 22

Era of 5th generation mobile system (5G) ·····SHINONAGA Hideyuki ····· 26

●Report on the Project Studies

Project Study of RIIT

Neuroimmune crosstalk in the central nervous system and its possible involvement in the
regulation of reproduction ·····OHTANI-KANEKO Ritsuko ····· 31

Project Study of Industry-Academia Collaboration of RIIT

Partial discharge of needle-plane mesh electrode and application to thawing
······KATO Shohei · SATO Masataka ····· 36

Development of products that make use of the strengths of factories
······OMATA Hiroataka · ISHIIHARA Jiro ····· 40

Development of Rear Wheel Steering Mechanism for Personal Mobility Vehicles
······TAKAHASHI Yoshiyuki · OHKO Hideki ····· 44

Investigation and Development of Snoezelen wagon equipped with Small Bubble-Tube.
······MINE Yasuhiro · KOBAYASHI Kikuo · SEKIGUCHI Masaaki · ISHII Kenji ····· 48

●Technical Report

Software Development Support using Program Diagrams ·····GOTO Takaaki ····· 52

The relationship between age, gender and cognitive executive function in Japanese adults
······KONISHI Kana · MURAKAMI Haruka · MIYACHI Motohiko ····· 57

Study in effects of immobilization on structures of articular capsule of knee joint in rats
······OHSAKO Msasafumi · ATSUMI Yui ····· 63

Does interest of bone health affect exercise adherence? ·····KOHNO Hiroshi ····· 70

Overlooking Trajectories of Modern Urban Planning Theory ·····SAITO Hiroshi ····· 73
